Dear Oscar Saldana:

With this letter, I hereby submit my 2 Week Resignation from Security Industry Specialists., effective June 26, 2012, due to Medical, Eldercare, Outside Union Harrasment, and Other Issues that are no longer compatible with the "Values" and "Commitment" that SIS expects from its employees.

I enjoyed the Six-Years. I worked at SIS, and wish it could continue further, as I have also enjoyed watching the growth/progress of the Newark Site from when I first started 2006 I continue to wish the SIS Team, good luck and continued success.

Sincerely,
